Should I bring anything else?  
We recommend bringing an extra change of clothes, bug spray and extra money just in case you may want to buy a drink or snack between games. Feel free to bring your own drinks and snacks.

What should I wear?  
Allowed) preferably dark in color. Old camouflage gear works great. Wear a comfortable pair of pants, boots, cleats, or sneakers. We always suggest you bring more clothing than you can wear, this way you can always take clothing off if you get hot or decide that you don't need it. Remember, paintballs do wash out, but it is suggested that you wear something that you don't mind getting a little dirty, as you will be running around in the woods.
